Bullying

Do you know a child who is a victim of bullying? Section 160.775 RSMo requires every school district to have an anti-bullying policy. To find out about your school's policy, please contact your local school office or go to www.tinyurl.com/5n7ydm6j.

Suicide Prevention

988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention LIfeline (now known as the 988 Suicide & Crisis Lifeline), and is now active across the United States.

People can always call, text, or chat 988 and be connected to a trained counselor.

COURAGE2REPORT
Missouri's School Violence Prevention Hotline

According to the U.S. Secret Service, in 81% of the instances where a violent act occurs on school property, at least one student had prior knowledge of the event, but failed to report it. Students must learn the importance of taking every threat seriously. C2R helps students do this in a way that keeps them safe. It is also crucial that schools, parents, law enforcement, and community members know the importance of reporting concerns and how to confidentially report to C2R.
